On a separate piece of paper, please provide an explanation as to why you are applying and what benefit the dancer will gain from being awarded a partial or full scholarship.

As a dancer/parent/guardian applying for a scholarship, I am aware that a certain amount of weekly service hours will be required of me. By signing this application form, I pledge I will comply and hold up my end of the agreement for the entire quarter the scholarship is awarded. I understand that if I am unable to carry out the expected amount of service hours, I forfeit my scholarship and will have to begin paying full monthly tuition immediately. I also understand that this scholarship applies to one dancer, not an entire family, who may attend one or two classes a week.
